UNIQUE & AMAZING FACTS ABOUT THE MUTHOOT GROUP

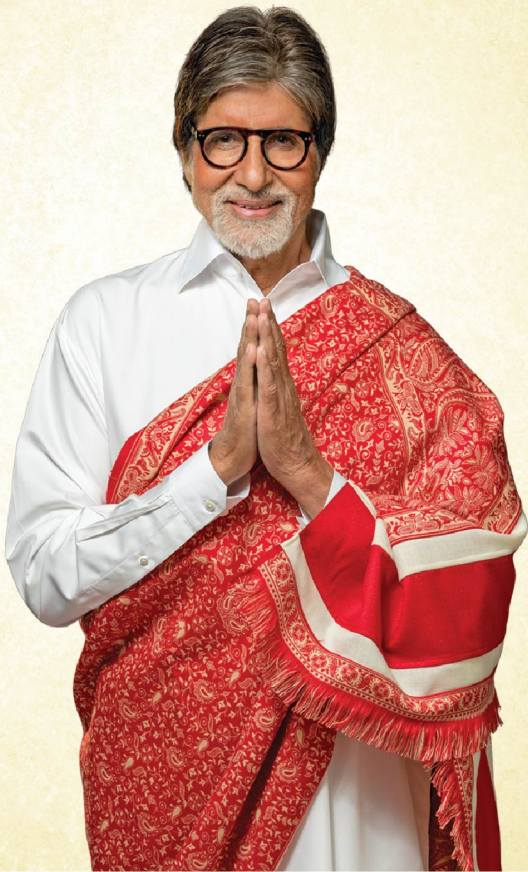

The Muthoot Group

"Unchanging Values in Changing Times"

WITH ALL HUMILITY, WE CAN STATE THAT
THE ENTIRE NATION TRUSTS US
IN ALL OUR SERVICES.

LET THIS TRUST ENABLE YOU TO GROW WITH US.

MOST UNIQUE AND INCOMPARABLE FACTS YOU DID NOT KNOW ABOUT US

OUR LEGACY OF TRUST & VALUES

- 1. The Muthoot Group has 800 years of unblemished track record of business, 800 years of CSR, 800 years of charity and 800 years of religious work, which is unique in the country and even elsewhere, and is a great blessing from God Almighty.**

The legacy of our family is chronicled in the coffee table book titled - 'Living History'. This book is a fruition of in-depth research; tremendous production work, creative ideas and lucid writing achieved over a span of more than six years, and have piqued the interests of reputed universities like Oxford, Cambridge and Harvard for case study purpose.

- 2. We are India's No.1 Most Trusted Financial Services Brand, as per TRA's Brand Trust Report.**

This is a testimony and acknowledgement of the trust, goodwill and confidence that the Nation has shown in Muthoot and in all our financial products and services.

- 3. We are the only NBFC, which originated from a full-fledged bank, started in Kerala in 1939.**

For 18 years, we were running as a full-fledged bank. This became a semi-bank, then a private family bank, which was further named as "Muthoot Bankers".

This was due to the renewed RBI guidelines. Finally it became "Muthoot Finance" of today, which is one of India's largest Financial Services conglomerates offering a plethora of financial products/services for diverse needs.

- 4. Our Group has carried out 800 years of business with unblemished track record, and 7 fundamental principles of - Ethics, Values, Reliability, Dependability, Trustworthiness, Integrity and Goodwill.**

This is the most challenging task, and is a great asset of our Group, which is practiced with utmost care, seriousness and commitment. We do not deviate from these 7 Fundamental Principles by an inch, at any cost or under any circumstances/pressure.

- 5. 40,000+ employees (The Muthoot Group family members) stand with folded hands everyday to pray to God almighty sharp at 9 am, across our offices/branch network.**

This is a unique practice in our Company, which may not be practiced even in Multinational Companies (MNCs). The eight - sentences long meaningful prayer goes as follows:

God! We thank you for all the blessings showered on us yesterday,

God! We pray for your blessings to give a great today,

God! We pray to lead us to much higher level of excellence in all our activities,

God! We pray to guide us through all the problems and confusions and give us strength to face them successfully,

God! We remember the Founder - Muthoot Group, Founder Chairman - Banking and all other people who worked with us and who are no more with us. We also remember our beloved Executive Director Shri Paul M George,

God! We pray for the management, all the staff members and all their family members,

God! We pray for all our customers, associates and well wishers,

God! We pray for all the people who trouble us, We pray in your name, Amen.

OUR SIZE & STATURE

- 1. As of 2019, we have 70 crore+ customers including repeat customers, and we serve over 2.5 lakh customers every day. This means, every year we add 7 crore+ customers to our network.**

The entire nation trusts us in all our services. This trust arises from the confidence and assurance people have in pledging their most important liquid asset with us - Gold Jewellery. In India, Muthoot is the first choice for any Gold Loan customer.

- 2. Our Company has the largest Gold Loan portfolio in India and the biggest in the world. Our pioneering steps in the realm of Gold Loans have transformed the very concept of Gold Banking.**

We changed the concept of Gold Loans from that of a 'last resort' or 'desperate loan' to a 'need based lifestyle product'.

- 3. For every ₹100 crore investment, we have ₹140 crore worth of Gold as collateral kept in 5330+ strong rooms, which is an absolutely unique and amazing fact.**

This shows the concrete strength and absolute safety for any customer to invest hundreds of crores with us, with full confidence. In fact, many customers do have such large amounts invested in our company, and many more are approaching us to invest large sums of money with us.

- 4. We are one of the largest non-banking financial companies that has penetrated to every nook and corner of the country with 5330+ branches (which increase by 150-250 every year).**

Thus, a large majority of people are thankful and delighted with the financial support received by them.

5. **Our Company has the largest number of branches among all NBFCs in India. In fact, we have one of the largest branch networks in rural and semi-urban areas, unlike many other financial institutions.**

In a way, through our Company's most important division - Muthoot Finance, we are contributing immensely for improving the economy of the nation, by helping crores of people of our country to monetize a dead asset.

FINANCIAL INCLUSION & CSR

1. **We are one of the largest Financial Services companies doing maximum Financial Inclusion, which means bringing poor and ordinary people into the network of banking.**

Apart from bringing people in the network of banking, we provide loans in 10-15 minutes, which means "Financial Inclusion Plus".

We are doing "Financial Inclusion Plus Plus" by giving money to all borrowers to stand on their own feet and enabling them to invest that money in various areas of trade, business, industry etc. for making profits and paying back their loans.

2. **Out of our 20 business divisions, 2 of the divisions Education and Healthcare, are run purely for not-for-profit purposes** with values, quality and upholding the great Indian culture and tradition.
3. **Our Group's Educational institutions and Healthcare hospitals are outstanding and irrevocably committed to giving back to the society through numerous CSR initiatives.**

Apart from this, a lot of charity is also done to help innumerable number of poor and needy people in the country.

4. **We are probably the only Engineering College historically, which has been ranked No.1 in the first year itself, and then for 4 consecutive years.**

In the 4th year (2017), it has beaten the records of the prestigious Engineering Colleges in Kerala, if not India.

5. **Unbelievably low fee of ₹8,500/- per student/per year is charged by our Engineering College.**

This is much lower than that of other Private or Self-financed Colleges, allowed as per Government norms of ₹1.5 - 1.7 lakh per student annually.

6. **Our Group's Educational Institutions, for the last 57 years, have not taken any donation from students or parents.**

In fact, we have **spent hundreds of crores** from our own **family's funds** (since setting up cost is very high) for running our institutions and aiming to make them one of the best in the country.

7. **In the entire country, our hospital in our hometown Kozhencherry is the only NABH accredited hospital situated in a village**, since Kozhencherry is a village even today.

NEW AGE TECHNOLOGY

Our Company is supported by new-age technology in all its divisions - Human Resource Management System (HRMS), Customer Relationship Management (CRM), Core Banking Solution (CBS), Fixed Asset Management System (FAMS), Visitor Management System (VMS), Online Surveillance Management System (OSMS), Ticket Management System (TMS), Legal Management System (LMS), Data Leakage Prevention (DLP), Hourly Business Monitoring System (HBMS), iMuthoot Mobile App, In-bound Call Management System (ICMS), Out-bound Call Management System (OCMS), AI-Based Chatbot 'MATTU & MITTU' [Muthoot Advanced Technology Transformation Unit (MATTU), Muthoot Intelligent Technology Transformation Utility (MITTU)] etc.

STAFF WELFARE

Our Company gives over 28 Staff Welfare Measures every year (including ESOPs and Pension) and additionally, good incentives for every product are also given to all employees.

OTHER AMAZING & IMPORTANT FACTS ABOUT THE MUTHOOT GROUP

- 1. Most of the Insurance Companies prefer to put Muthoot's name with their products, like - Muthoot Life Guard, Muthoot Home Protector, Muthoot Shop Owner's Policy, Muthoot Hospicash etc., and thereby are sold in lakhs within the first month of their launch.**

This shows our strong brand value and the trust of crores of customers in India. Many Insurance companies do not prefer to put their company's name in the insurance schemes.

- 2. In our Hospitality & Leisure Division, each unit is one of the best wherever we are operating from.**

- 3. Our Indo-Nepal Money Transfer business division is one of the largest in the sector, sending and receiving money to and from Nepal in just a few minutes.**

Our customer base is increasing by leaps and bounds, and we have received immense appreciation from the Nepal Government for this work and also by lakhs of Nepali citizens working in India, as it is of great help compared to the archaic method of sending money

physically via friends/relatives which usually reached their homes after weeks/months.

Furthermore, our strong belief is in the equation - Everything minus God’s blessings = Nothing. Nothing plus God’s blessings = Everything.

14. **As stated earlier, we reward our performing employees with many benefits. Many of our employees have gone to various foreign destinations for 10-12 times, and have even had the privilege of taking their families along with them, which is really unique and amazing.**

It is these rewards that motivate, excite and drive the employees to perform with a competitive spirit for overachieving their targets.

15. **Our top Management is highly approachable for any staff member with regard to a genuine subject or concern.**

The doors are open even to the Group Chairman for any genuine concern not addressed by seniors at different levels.
